## TAS VISION STATEMENT

To be a passionate and internationally inspired organization that is dynamic and evolving, where all members are supported in realizing their unique potential and all students may pursue endeavors beyond the classroom, while consolidating its position as an institution recognized both regionally and internationally as a school of academic excellence.

## SCHOOL DESCRIPTION

The American School (TAS) prides itself on its ability to graduate strong, independent young adults who understand that self-respect and confidence are created through hard work, reflection, and practice. TAS prides itself on being a Private Internationally recognized K-12 Learning Institution. As a College Preparatory School, our ultimate goal is to send our graduates to study abroad, particularly in the USA, though many of our graduates have also historically studied in Australia, Canada, Singapore, & South Korea.

## LOCATION & FACILITIES

We have a large beautiful purpose-built campus in the An Phu Area of District 2 which houses 2 Swimming Pools, 2 Gymnasiums, 2 Libraries, 2 Football Fields, and a Golf Driving Range. Classrooms are large, well lit, and are filled with discussion, laughter, and purpose. The Auditorium is located on Levels 3 and 4, just below 9 Science Labs, and a Rooftop Garden complimented by a Tennis Court.
